

WHAT TO DO IN BAD WEATHER?

Is the Black Diamond Community Center open or closed?

The BDCC follows the Enumclaw School District's closure notices for snow. If they are closed, we will be closed. If there is a two-hour delay for ESD, that means the BDCC will be closed if it is not safe for staff or seniors to get to the center.

Call the Center at 360-886-1011 if you are in doubt about us being open. Listen carefully to the message on the voicemail about what to do.

If you would like us to call you back, leave a short message after the beep with your name and phone number.

You can also call us on our cell phones:

Cheryl Hanson: 425-831-7089

Leslie Johnson: 253-569-5128

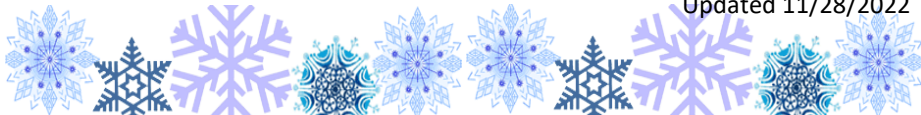

Keith Watson: 425-214-3684

We will do our best to serve you. This is the procedure for bad weather when there is snow or ice.

Power outages may be handled differently as we have a generator. Call the office or the cell phones and we will instruct what to do in those cases.
